

I.D.T.A Examination

Timetable

Tuesday 12th February

St. Lawrence Church Hall

Please check details carefully and let Jo know immediately if there are any problems. Please arrive **30 minutes before your allotted time** – preferably changed in kit. (Except shoes, that should only EVER be worn inside the building!)

Space will be limited, especially at times when we have a lot of quick medal tests and we ask for your co-operation to keep the corridor free of parents.

Normal jazz / tap kit required with hair in a tight pony tail and fringe gelled back. Please note that no jewellery is allowed – including earrings.

Due to the large number of entries, classes will not run on the evening of 12th February.
