Show 2013 - Helpers

IMPORTANT – **YOUR children need YOU!**

Dear Parents

We will be requiring a team of backstage/dressing room helpers for each show. Obviously, until we have parents allocated to specific shows to help, it is impossible for you to plan your ticket requirements. Please try and offer to help if you possibly can. This is especially important for the younger / middle age range children who have costume changes. The senior pupils can often manage very well by helping each other, but really appreciate a couple of adults in each dressing room to help with quick changes / clearing costumes etc...

It may be necessary to restrict tickets, but helpers will have priority to ensure tickets are available to them on the show / shows that they are not allocated to help with. 'Experienced helpers', if you are happy to help on more than one show – it would be really appreciated!

Please return form to your child's teacher BY 30th September. I will then notify parents which show they have been allocated to help with, prior to tickets going on sale.

Thank you in anticipation of your support. Jo
